

# Allegro

Allegro collection

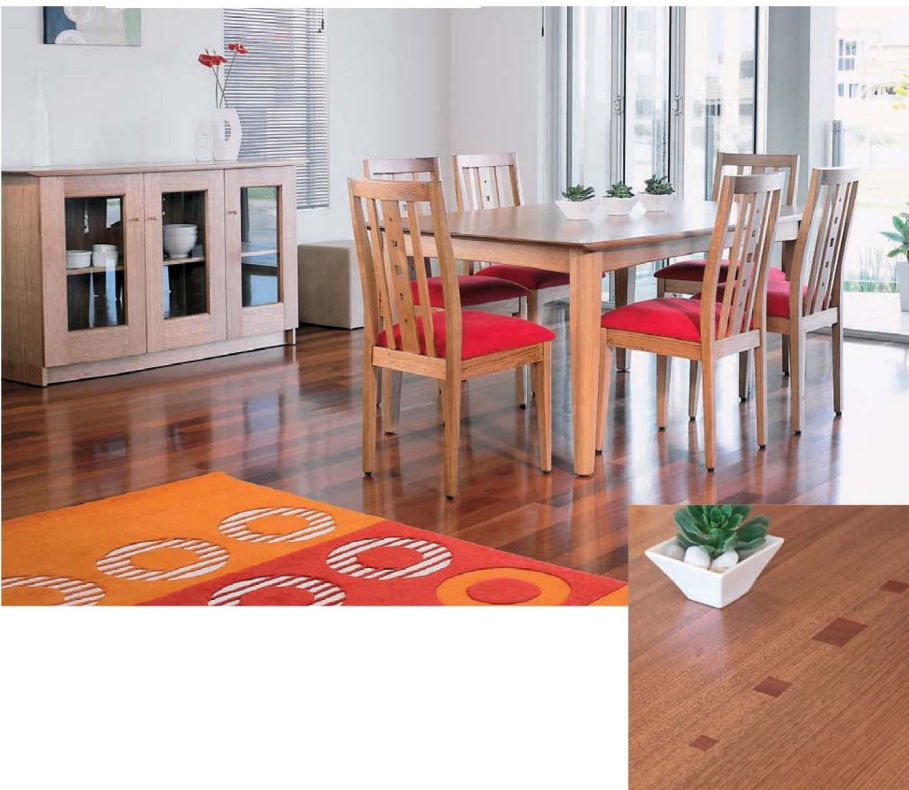

Gentle curves, shaped edges and River Redgum squares infused onto solid Tasmanian messmate are characteristics of this stylish modern collection. Allegro's beautifully simple design is compatible with any modern or casual dining environment. This hardwood range of dining and occasional furniture includes fixed or extension tables and a select range of sideboards that are available with glass or timber panel doors. Allegro is priced to delight but built to last, as the simplicity is only skin deep. A closer inspection reveals traditional craftsmanship and quality construction.

**CARE durable finish**

CARE is a new acid cured lacquer from Europe. This finish provides a harder surface plus it is free of harmful chemicals. That's good for our customers and the environment.

# Allegro
