

Flinders

The most evident feature of Flinders dining is the French country styling. Smooth curved legs and shaped table rails are complemented by the detail

of the table edge profile. Flinders

is available in a large range of fixed or extension table sizes, and with a range of comfortable dining chairs, occasional pieces and cabinet, you

can mix and match to suit your room or dining needs. Designed for the busy family areas of the home,

Flinders is crafted in Tasmanian messmate making it both durable and affordable style for every home.

Flinders collection

With samples collected during captain cook's third Pacific voyage in 1777, Tasmanian Messmate was the first eucalypt recorded by botanists. The premium version of its cousins the Victorian Ash and Tasmanian Oak, Tasmanian Messmate has an even texture with straight grains and varies in colour from pale to light brown. Ours is sourced from Northern Tasmania.

CARE durable finish

CARE is a new acid cured lacquer from Europe. This finish provides a harder surface plus it is free of harmful chemicals. That's good for our customers and the environment.

Flinders

C34 French Country Chair

C38 Flinders chair

C51SP Bordeaux chair

C29 Normandle Cane Back
